- Track# 7. Give It Up! – A high-energy, funky, dance song

## Biography:

**Big Blu Soul Revue** bring the soul of San Francisco to their music. The band shares an extreme passion for the music of 60's and 70's soul, funk and jazz, with the music influences ranging from soul legends like Stevie Wonder, Sly Stone, Aretha Franklin, Bill Withers and Marvin Gaye to funk and jazz artists like The Meters, Herbie Hancock, Grant Green and many more. The band's fresh approach bring a wide array musical styles of infectious dance grooves to their music. Big Blu Soul Revue was formed in early 2012 by long-time San Francisco Bay Area guitarist and vocalist Jason Movrich (The Mission Players, Jason Movrich & Friends), the band is comprised of a tight group of top notch Bay Area musicians.
